CARE HOME

Dear friends,

With a fresh new season upon us, our home is bursting with brightness and vibrancy! Take a glimpse into our delightful spring escapades in our latest newsletter.

100 cupcakes for 100 years!

In January, we organised a special coffee morning for resident Doris Webberley to mark her 100th birthday! We ordered 100 cupcakes as a surprise for Doris, which she enjoyed with her fellow residents. The celebrations continued in the afternoon with Doris' family gathering at the home for a party, including her son, two grandchildren, and three great-grandchildren. We were thrilled to be able to contribute to making her special birthday an occasion to remember. Though Doris insisted that she wouldn't have any photos taken until she had been to see the hairdresser!

This little piggy...

In April, we had the most wonderful visit from two little piglets. The special visit was organised through Performing Pets who introduced us to the joyful squeaks of Pinky and Perky, two four-week-old ornamental piglets. Both residents and team members absolutely loved having cuddles with these two cuties. Oink oink!

An egg-citing Easter

Our Easter celebrations kicked off with a traditional egg hunt in our garden, and we invited the children of Nash Mills Primary School to join the fun. The children not only managed to find all of the hidden eggs, but some very long worms too! We finished the morning off with some garden games, and those residents who couldn't come down sat at their windows watching the children and enjoying the merriment.

Mum's the word!

In March, we had both International Women's Day and Mothering Sunday in the same week! We celebrated with a Ladies Afternoon Tea in our bistro, where we raised a glass to remember all mothers, past and present, and to honour women all over the world. On Mother's Day we organised a photoshoot in our cinema room and encouraged families to come along and join in the fun. It was lovely to get to meet so many of our residents' loved ones.

With love,
