CARE HOME

Dear friends,

We've cherished the Christmas festivities and spent some time reflecting on the love, laughter, and cherished memories from recent months. We hope you enjoy these highlights!

Merry and Bright

We all got into the Christmas spirit with our annual lights switch-on extravaganza! There was plenty of delicious mince pies, warming hot chocolate and mulled wine, and festive entertainment. Thank you to everyone who popped along to see us.

Other highlights included lots of visits from singers and entertainers, cosy Christmas movie afternoons, and the residents making lots of festive crafts from beautiful wreaths to personalised Christmas cards. Just magical!

A festive cruise

A few of our residents braved the cold December weather to enjoy a day of fun aboard a canal boat cruising through Kings Langley. Members of the Water Mill House team and our residents dressed for the occasion with Santa hats, reindeer headbands and Christmas tree glasses – plus plenty of layers to keep warm!

Our residents loved the interaction that the festive trip generated with the local community, as lots of people walking along the canal or over the bridges stopped to wave and wish us a 'Merry Christmas!'

Cheers to 10 years!

In September, we marked our 10-year anniversary with WaterFest, a special party for our residents, their families, and our team. The celebration had a festival vibe with a barbecue, mocktails and ice cream, and entertainment from a Queen tribute act.

We also recognised our long-serving team members who have each worked at Water Mill House for 10 years, including nurse Josy, care supervisor Paul, and bistro manager Tracy. Water Mill House truly is our residents' home, where we are guests who feel fortunate and privileged to be welcomed every day.

Spooktacular fun

Back in October, we had lots of spooky fun with our Halloween party! Residents joined in the fun wearing spooky hats and enjoyed sampling the fang-tastic buffet and sweet treats. A big thank you to all who dressed up and came along to make it a wonderful afternoon!

With love,
